October's Newsletter

Season for change and celebrating our One Year Anniversary!

CFMWS.ca has reached it's one year anniversary and with that comes some changes, updates and enhancements.

Now is the time to review and reflect on all that has been accomplished this past year - your sites are looking great! October's anniversary is the perfect time to clear out old content, verify your contact information and confirm all links remain valid.

This is also the perfect time to fresh your images and get ready for the change of season.

The common media library has been populated with a great selection of Halloween images for upcoming spooky events.

DECOMMISSION OF CAFCONNECTION.CA

Goodbye old friend...

With the one year milestone comes the official decommission of CAFconnection.ca. Please make sure you have all content, images, documents that you require from CAFconnection.ca before **NOVEMBER 23, 2023**. If you require assistance, please reach out to the Web Team who are at the ready to assist.

WORKFLOW

Time to add your editors!

We will be communicating shortly with instruction and training for WORKFLOW which will be implemented **NOVEMBER, 2023**. With workflow you'll be able to add editors who can add content for the administrators to review before published. Stay-tuned for the details.

SITE AUDITS

Making sure we don't go to jail!

Site audits have started and these are to ensure we comply with the official languages, and accessibility requirements. We also review for broken links and site style and navigation compliance in order to give the best user experience for our members.
