## ARE YOU AWARE THAT?

80% of all military spending in Nova Scotia is spent in the Halifax area.

Canadian Forces Base Halifax provides support services for over 14,000 youths who are members of sea, army and air cadet corps throughout the four Atlantic provinces

DND is Halifax's largest industry, employing more than any other local organization

CFB Halifax is the largest military base in Canada. Halifax's uniqueness has made it a favourite port of call for the Navies of the world, who pour millions of dollars into the local economy each year
