RECREATION PROGRAM

SAINT-JEAN GARRISON SPORTS CENTRE

The Saint-Jean Garrison Sports Centre

The Saint-Jean Garrison Recreation Department offers a range of services to both the military community and citizens. Our recreational, artistic, sporting or outdoor activities are designed for the entire family, from children to retirees. Our facilities provide a safe environment with large parking lots, and the general public is welcome.

Who we are

The Recreation Department is one of many departments within Personnel Support Programs (PSP).

Its mission is to provide recreation, wellness and community services to military personnel and their families. However, given that we have abundant facilities and considering that military personnel typically use the equipment during the week, it's easy for us to make them available to local citizens, particularly in the evenings and on weekends.

The Sports Centre reception is located in the green section of the MEGA building.
