Date: 20 April, 2026

Subject: Access to South Side Community Centre Parking Lot

NOTICE

Dear Families,

This memo is to inform you of the change that will affect access to the parking lot at the South Side Community Centre.

We do not yet know the exact start date at this time, but this change is expected to begin in **May 2026**. The **parking lot will no longer be accessible from Wolfe Avenue**, due to ongoing construction. As a solution, there will be a **temporary dirt road connecting Dundonald Drive to our facility parking lot in between the ice rink and park**.

Once the date is finalized, a program supervisor will notify you via email. However, we wanted to make this information available to you as soon as possible, to help families prepare.

During this time, please **exercise extra caution** when commuting to and from our facility. We appreciate your understanding and support in keeping everyone safe.

If you have any questions, please reach out to the Recreation Complex at 613-687-2932.

Sincerely,

Alyson Roberts
Community Recreation Coordinator
