
H&R MFRC Program Storm Policy

WEATHER-RELATED CLOSURES

When the H&R MFRC is closed due to weather, all on-site and off-site programming, including the Henderson Sweetman Youth Centre, will be cancelled. Staff availability, weather conditions, power and heat, road conditions, and clearing of parking lots are factors that determine our ability to remain open. Virtual programming will continue as scheduled when possible.

Participants can check one of the following sources for updates:

SITE-SPECIFIC OPERATIONS

If the Shearwater site is open and the Halifax site is closed, or if the Halifax site is open and the Shearwater site is closed, programs at the closed site will be cancelled; programs at the open site will run as scheduled.
